

Today we talked about moving beyond limited beliefs. You have hopefully done the work and worked out what BS you believed that was holding you back
So, if that was the BS, what is the truth?

| You know what? |      |          |    |

| The truth is   |      |          | ,  |
|                |      |          |    |
|                |      |          | _  |
|                | <br> |          | _  |
|                |      |          | _  |
|                |      |          | _  |
|                |      |          |    |
